

INSTANT MASS NOTIFICATION

Business Continuity

Business Continuity

How do you instantly communicate with ALL of your employees in an emergency situation?

INSTANT MASS COMMUNICATIONS WITH YOUR EMPLOYEES

sendaword's Business Continuity Notification service solves many of the present communication problems inherent in today's corporate emergency communications model. One message delivered to any number of employees or to certain groups via SMS text message.

RAPID NOTIFICATION CAN BE ACHIEVED FOR:

- Employee Scheduling
- Operational Updates
- Building fires, earthquakes, or pandemic illnesses
- Outage updates

HOW IT WORKS

First of all, the program is easy and we are here to help! sendaword staff will help you set up the program, implement and test the system. The sendaword.com program is utilized through a website browser. When an emergency situation occurs you simply log-on to the Sendaword.com website, type in your message and click send. Almost instantly your employees will receive a text message (SMS) to their wireless cell phone.

SENDING A MESSAGE IS EASY

- Simply log-on to the sendaword.com website
- Select your group
- Type in your message
- Click Send
