

INSTANT MASS NOTIFICATION

Campus Notification Services

Campus Notification

How do you communicate instantly with your students or parents in an emergency situation?

INSTANT MASS CAMPUS COMMUNICATIONS

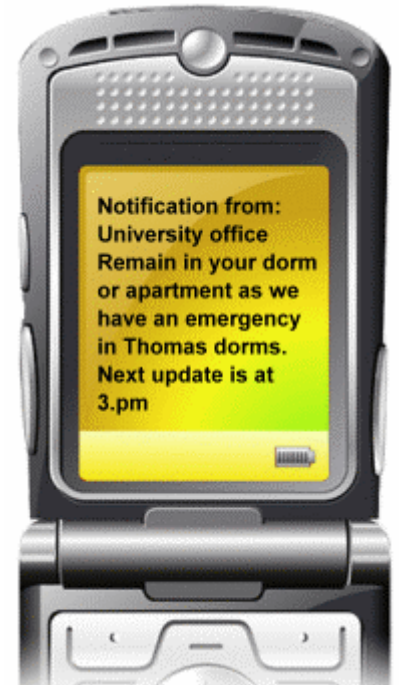

sendaword's Campus Alert Notification service solves many of the present communication problems inherent in today's emergency communications model.

RAPID NOTIFICATION CAN BE ACHIEVED FOR:

- Violent criminal acts
- Lock down notification to parents
- Hurricane and storm updates
- Utility outage updates
- Building fires, earthquakes, or pandemic illnesses

HOW IT WORKS

First of all, the program is easy and we are here to help! sendaword staff will help you set up the program, implement and test the system. The sendaword.com program is utilized through a website browser. When an emergency situation occurs you simply log-on to the Sendaword.com website, type in your message and click send. Almost instantly your students or parents or both will receive a text message (SMS) to their wireless cell phone.
