

INSTANT MASS COMMUNICATIONS WITH YOUR PARENTS OR TEAM

sendaword.com is a perfect solution for coaches who are challenged in updating a sports team in last minute situations, such as weather and/or scheduling conflicts. One message immediately delivered to any number or your team/players via wireless text message will solve your scheduling problems. See example to the right.

RAPID NOTIFICATION CAN BE ACHIEVED FOR:

- Weather and storm updates
- Game schedule changes
- Utility outage updates
- Security concern updates
- Last minute travel changes

HOW IT WORKS

First of all, the program is easy and we are here to help! sendaword staff will help you set up the program, implement and test the system. The sendaword.com program is utilized through a website browser. When an emergency situation occurs you simply log-on to the Sendaword.com website, type in your message and click send. Almost instantly your whole team will receive a text message (SMS) to their wireless cell phone.
